Itinerary:

One of the most delightful places in Singapore is the celebrated Sentosa Island. Moreover, you cannot expect anything less from an island which was created exclusively for the purpose of entertainment. While there are so many interesting and exciting things to see and do in this fun island, our half day Sentosa tour package ensures that you get to see at least some of the best things that the island offers.

Your Sentosa tour would begin with a cable car ride that takes you from Mount Faber to Sentosa. This gives you a bird's eye view of this beautiful island. You would be able to catch several iconic places like the Merlion Tower and the Tiger Sky Tower from the top. At the island, your first stop would be at Images of Singapore LIVE where you would be able to see the history, culture and heritage of Singapore via the animatronics. Here, you would be able to view the journey of Singapore from what it was in the past to what it is today.

Madame Tussauds Museum is also a part of your Sentosa Tour. You would get to see and click pictures with the wax models of your favourite stars and celebrated personalities. The highlight of the show is the Wings of Time show. Set against the background of the open sea, this sound and light show would leave you mesmerised. The combined effect of laser show, water display, music and laser show is absolutely wonderful, and we ensure that you get the best seats to enjoy a marvellous show.
